Ugh! Are you eating the cat food again?! How many times do I have to tell you it´s MINE, you dolt!?
BAP!

sigh Since you're clearly incapable of distinguishing your head from your butt, allow me to explain it to you in the simplest possible way.
TILT

Take a look at this product. You'll notice that a cat is depicted on its packaging.
Can you tell me which one of us most accurately fits the description of "cat"?
Fishy Nibblets
CAT FOOD

Me, yes! Very good. Which means this food is intended to be eaten by cats like me.
...?
Not dogs.
POKE!

Yes, you are! Goodness, we have a gifted student with us today!

So! By that logic, which one of us should be eating the dog food instead of sticking his stupid snout where it doesn't belong?
